

FONDS DES ACCIDENTS DU TRAVAIL

CIRCULAIRE N° 2009/5

31/03/2009

Arrêté royal du 17 mars 2009 modifiant l'arrêté royal du 12 août 1994 portant exécution de l'article 51ter de LAT. Barèmes à utiliser à partir du 01.04.2009

Le Moniteur belge du 31 mars 2009 a publié l'arrêté royal du 17 mars 2009 modifiant l'arrêté royal du 12 août 1994 portant exécution de l'article 51 LAT.

L'arrêté royal du 17 mars 2009 qui adapte le taux de chargement de gestion de 3,5 à 5 % pour les capitaux 45quater à transférer au Fonds entre en vigueur le 01/04/2009 pour les capitaux dus à partir de cette date (= les règlements 45 quater pour lesquels la date de notification de l'accord ou la date à laquelle la décision judiciaire passe en force de chose jugée se situe après le 31 mars 2009).

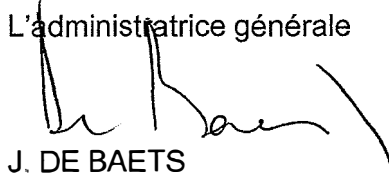

Les barèmes concernés par cette adaptation sont :

- E I B pour AT -10 % postérieurs au 31/12/1987 et antérieurs au 01/01/1995.
- E I B 95 M et F pour AT -10 % survenus à partir du 01/01/1995.
- E II pour AT 10 % à 19 % postérieurs au 31/12/1987 et antérieurs au 01/01/1995.
- E II 95 M et F pour AT 10 % à 19 % survenus à partir du 01/01/1995 et antérieurs au 01/01/2003.
- E II A 03 M et F pour AT 10 % à 19 % survenus à partir du 01/01/2003.

En cas de révision, le barème qui s'applique est celui qui a servi de base au calcul du capital du premier règlement.

Vous trouverez en annexe les barèmes recalculés avec un taux de chargement de 5 %.
